

PRIVACY INFORMATION

Cascade Engineering Europe cares about protecting the privacy of individuals who visit the Cascade Engineering Europe web site for information, products and services. This policy explains how we at Cascade Engineering Europe ensure the responsible use and protection of any personally identifiable information that we receive online.

SCOPE OF PRIVACY POLICY/LINKS

This Privacy Policy applies only to this site. Although this site may provide you with links to other web sites, those web sites are not covered by this Privacy Policy.

COLLECTING INFORMATION

When you visit the Cascade Engineering Europe site, we may collect and store information about your visit using “cookie” technology. A cookie is an element of data that a web site can send to your browser, which may then store the cookie on your hard drive. Cookies may tell us the time and length of your visit, the pages you look at on our site, and the site you visited just before coming to ours. We may also record the name of your Internet service provider. This information allows us to measure site activity and to tailor information to suit your individual preferences. The goal is to save you time and provide you with a more meaningful visit.

SUBMITTING RESUMES

We may use this site to post job openings. We encourage you to submit your resume via e-mail to be considered for potential employment opportunities. If you submit a resume to us, you will of course be disclosing personally identifiable information you have included in your resume. We may use and circulate this information internally as necessary to consider your application and to contact you regarding our employment process. We may also use this information from time to time to inform you of other employment opportunities that may be of interest to you. Please contact us as specified in the Contact Us section if you no longer wish to receive such information or be considered for employment opportunities.

ENSURING DATA SECURITY

Any personally identifiable information that Cascade Engineering Europe maintains is stored in password-protected, secure environments that can be accessed only by authorized personnel. Cascade Engineering Europe instructs all personnel who handle personally identifiable information to use appropriate privacy and security precautions when processing this information. Although we take reasonable steps to protect personally identifiable information you provide via this site from loss, misuse, or unauthorized alteration, no system is 100% secure or error-free. Therefore, we do not guarantee the security or accuracy of the information we collect via this site, and you acknowledge that you are assuming this risk in transmitting any information to us. Cascade Engineering Europe will share information with government agencies as required by federal law.

COPYRIGHT NOTICE
